

Welcome

Thank You for Considering a Partnership

At **Priscilla's Purpose LLC**, we believe every person deserves the opportunity to discover purpose, build confidence, strengthen relationships, and leave a lasting legacy.

Our organization exists to empower individuals, strengthen families, create meaningful community programs, and develop spaces that positively impact lives for generations to come.

Through strategic partnerships with businesses, organizations, and community leaders, we are building more than programs—we're building hope.

Our Mission

To empower individuals, strengthen families, inspire communities, and create lasting opportunities through education, mentorship, architectural design, leadership development, and community engagement.

Our Vision

To become a nationally recognized organization that transforms communities through innovative design, education, mentorship, and meaningful partnerships while creating opportunities that leave a lasting legacy for future generations.

Current Funding Priorities

Technology That Builds Dreams

To better serve our clients and community, we're raising funds for a professional architectural workstation capable of handling advanced design software, 3D renderings, animations, and large-scale development projects.

Your support will help us expand our ability to design homes, educational facilities, and community developments that create lasting impact.

Purpose Driven Queens

Helping women discover confidence, healing, leadership, and purpose.

Community Development

Creating thoughtfully designed spaces that strengthen neighborhoods and improve quality of life.

Mother & Son Legacy Dance

An unforgettable evening dedicated to strengthening the bond between mothers and their sons.

Books & Educational Resources

Providing transformational resources that inspire growth and healing.
